I talk from experience: **8 TIMES over a 9-year period** it has
denied me access to justice and redress: Overview # 19

ROTTEN TO THE CORE

At the time, I had **NOT** received a copy of the tribunal's report - it signed it on **17.06.03**.
Consequently, I saw myself as **continuing to be persecuted, and treated like a piece of dirt by that monster, corrupt West London County Court judiciary** that was hell-bent on helping 'the brother' (Persecution # 6) Andrew David Ladsky and his gang of racketeers extort as much money as they could from the Jefferson House leaseholders so that he could realise his multi-million £ jackpot.
I replied on **17.06.03**...and even though I had leave of appeal to the Lands Tribunal, to please 'the brother', District Judge Wright nonetheless proceeded with the hearing: **23.06.03**

YEP! DEFINITELY PART OF HER MAJESTY'S KANGAROO COURTS!
