Re: **Steel Services Ltd(Regd In British Virgin Islands) -v- Noel Yvonne Sylvie Klosterkotter-Dit-Rawe**  
Case No.: **WL203537**

Was in response to its **12.06.03** Notice

Thank you for your letter dated the 17th of June 2003 and received on the 19th of June 2003.

The court file and letter were referred to the District Judge for consideration. The Judge has confirmed that you would be well advised to attend, as the hearing is for directions.

I enclose a copy letter received from the claimant's solicitors which confirms that the case is proceeding against the First, Second, Fifth and Seventh Defendants only.

I hope this assists.

Yours faithfully

Miss J E Box

The London tribunal had only signed its report on **17.06.03** - and I had leave of appeal to the Lands Tribunal = a blatant breach of process, and of my rights. = A CONTINUATION of the conduct by Her Majesty's corrupt judiciary in West London County Court, hell-bent on helping 'the brother' (Persecution # 6) Andrew David Ladsky and his gang of racketeers...  
...in his realising a multi-million £ jackpot at the expense of the Jefferson House leaseholders.

**ABSOLUTELY OUTRAGEOUS!**  
See the criminals' **23.05.03** application to the court - with my Comments

**YEP! DEFINITELY PART OF HER MAJESTY'S KANGAROO COURTS!**
