(A) See my letter to the Court dated 20 June 2004

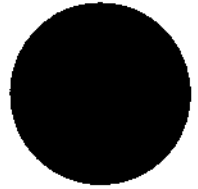

It was a **DELIBERATE** set-up by Her Majesty's WLCC judiciary **CONTINUING** to collude and conspired with 'the brother' (Persecution # 6) Andrew David Ladsky and his racketeer solicitors, CKFT - this time, aimed at making me miss the hearing...
 ...- relying on the fact that I was on holiday, out of the country (Ladsky had informants on me at my then employer KPMG + has had me dogged, hounded, tracked and persecuted since at least 2002 (Persecution # 2)...
 ...so that District judge Madge could give them a freebie: a 28.05.04 Order that the action against me be "stayed" (i.e. that the claim against me could continue)...
 ...- **EVEN THOUGH** Madge KNEW that agreement had been reached!
 I took delivery of the Order 10 days later (WLCC # 13.2 ; Lord Falconer of Thoroton # 4)

WEST LONDON COUNTY COURT: A bottomless cesspit of moral depravation and corruption.

YEP! DEFINITELY PART OF HER MAJESTY'S KANGAROO COURTS!

Dear Ms. Rawe

Re: Hearing on 28 May 2004 at 10am

Should be 'to me'

I write enclosing notice of a Court hearing on the above date. Unfortunately notice was sent to the Bureau rather than the Court. We have contacted the Court who have confirmed they have altered the Court record and this mistake was made because we assisted you with your Listing Questionnaire and the Court, incorrectly, assumed we were on record for you.

Ms. Scott of this office has tried to contact you at work by telephone, and we enclose her e-mail to you. We understand you cannot access your e-mails. We hope this letter reaches you in time for you to attend and we are happy for you to use this letter and the enclosed e-mail as evidence to the Judge of the Court's failure to notify you directly.

Yours sincerely

Ms. Joy Julien
Bureau Director

Encs.

Yeah, right! IN SPITE of the 02.04.04 letter from the RCJ to WLCC - stating: "grateful if you could contact her directly as per her details in the Listing Questionnaire"

Sent to me at my then employer KPMG that would have returned the message that I was out of the office, and giving the date of my return...which was past the hearing!

Good Morning Noelle,

I have received notice of a directions hearing from the Court on your case. A short ten minute hearing will take place at 10am on 28 May 2004 at West London County Court, 43 North End Road, West Kensington, London. W14 8SZ

I do not know why the court has sent the Bureau notice rather than yourself and I will contact the Court to correct this.

The hearing is a short standard hearing whereby further directions will be made, but you should attend.

I hope you are well.

Kind Regards.

Rebecca Scott.

BECAUSE Her Majesty's West London County Court judiciary (and court manager) had been colluding and conspiring with...
...'the dear brother' (Persecution # 6) Andrew David Ladsky and...
...his gang of racketeers from the time they filed the fraudulent 29.11.02 claim against me (and 13 other apartments)...
...starting with turning a blind eye to a blatant abuse of process of court e.g. my 25.03.03 letter to the court.

And, OF COURSE, KNOWING this, was the cue for District judge Madge to PROCEED with the hearing! WLCC # 13.2.
After all, he had to take into consideration the fact that 'the dear brother', Ladsky, was in a hurry to realise his multi-million £ jackpot!
