

Rotten to the core

I talk from very extensive experience: Her Majesty's judiciaries **denied me access to justice and redress 9 times over a 9-year period: Overview # 19; Kangaroo courts**

= Yet another example of my being treated like a piece of dirt by Her Majesty's Court Service. West London County Court and Wandsworth County Court made me go through sheer utter hell for nearly 2 months - following the **09.06.04** Notice that **falsely - and deliberately -** stated that **"my case had been transferred for trial"**

Objective: to add to the criminal psychological harassment and crush me into submission for 'daring' to stand up to 'the brother' (Persecution # 6) - **Andrew David Ladsky**, his gang of racketeers and his lapdogs in the courts- hell bent on securing the fraudulent **29.11.02** claim (LVT findings ; LVT ; 'Major works') - so that he could realise his multi-million £ jackpot.

Dear Sir/Madam,

23 July 2004

IF multi-criminal (Extortion) Ladsky paid the fee!

Re: Steel Services Ltd(Regd In British Virgin Islands) -v- Noel Yvonne Sylvie Klosterkotter-Dit-Rawe Case No.: WL203537

Thank you for your letter dated 19th July 2004. **You are not required to attend the hearing on the 17th August 2004 as your case has now settled.** Part 5 of the order of 28th May 2004 states that it is the claim **against the 5th Defendant** that was to be listed.

That's what I kept repeating!

Yours faithfully

See Doc library # 1.3 to # 1.5 for snapshots of my complaints - the latter relating to my 29.06.04 'cry for help' - in vain - to Lord Falconer of Thoroton, then Head of the courts

But the **9 June 2004** Notice of Transfer of Proceedings from **West London County Court** which states "for listing for trial before Circuit Judge" is:

- ① Addressed to me
- ② HA) my name as the Defendant.

+ This reply does not pick up on my statement in my **19 July letter** (+ other correspondence) that I totally disagree with the claim being "Stayed" (order on **28 May**)

Of course, **the same arrogant, condescending treatment continued** in the next letter of **28.07.04** ...with the use of padding instead of the courts assuming responsibility for their actions... and, consequently, of course: **NO apology for making me go through hell - because intentional**
