**I repeat my Comments on its previous letter of 23.07.04 about the intentional criminal psychological harassment (Persecution # 1) intended as punishment for 'my daring' to stand up to 'the brother' (Persecution # 6) - Andrew Ladsky and his lapdogs in the courts (Kangaroo courts) - hellbent on ensuring he could realise his multi-million £ jackpot**

Dear Sir/Madam,

**IF multi-criminal (Extortion) Andrew David Ladsky paid the fee!**

Re: Steel Services Ltd(Regd In British Virgin Islands) -v- Noel Yvonne Sylvie Klosterkotter-Dit-Rawe  
Case No.: WL203537

Your letter of 8/7/04 has been placed before Her Honour Judge Knowles for attention, and she has asked me to write to you in the following terms:

The correspondence and case orders have been reviewed since the latter part of 2003. **It knew I had the Order= vermin's trick to avoid admitting responsibility**

**'Conveniently' ignoring that the claim was contempt of court - and fraudulent**

It appears that you are not aware of the terms of the Order of 26th May 2004, a copy of which is enclosed. You will see that according to paragraph 4 thereof, that **the claim against yourself has been stayed.**

**A**

**It is the claim against the 5th Defendant which is proceeding** and which is the subject of the one day hearing fixed before a Circuit Judge of this Court on 17th August 2004. Whenever a hearing is listed before a Circuit Judge then it will be a Circuit Judge at Wandsworth County Court because there is no Circuit Judge sitting at West London County Court.

**Last sentence: totally irrelevant= padding to avoid addressing the issues**

**YES! I saw that - and I vehemently disagreed with it (my below letters)**

It is hoped that this now clarifies the position for you.

Yours faithfully

Mr S J Davies
