Ms Noelle Klosterkotter-Dit-Rawe

2nd March 2010

Dear Ms Rawe

I am writing about the application made by Metropolitan Police Service to dispense with the complaint you made on the 7th December 2009.

The IPCC has considered the application and your letter of 18th February 2010. Based on the information and evidence provided we have agreed that it would not be appropriate to investigate because you have not provided a good reason for the delay between the incident and the making of your complaint and investigating your complaint now would likely cause an injustice.

The IPCC also considers that your complaint is an abuse of the complaints procedure because the misconduct complaints system does not exist in order for changes to be made to old crime reports. An application to the Information Commissioner might be a more appropriate way to address this issue, if there is any way to address it.

Furthermore the IPCC considers that it would not be practical to investigate your complaint because of the substantial amount of time that has passed since these events occurred.

As a result, we have agreed to grant a dispensation. This means the police do not have to investigate this matter. We have told the Metropolitan Police Service of this decision.

Your sincerely,

Matthew Johnson

- Events are discussed under Kensington & Chelsea police #5
- Snapshots: Doc library # 4.7 to # 4.12
- The police's 22.01.10 Application I obtained following filing a 19.04.11 Claim against the police et.al. also refers - wrongly - to my 2 Dec 09 letter to Paul Stephenson, Met Commissioner
- 22.01.10 letter of 20101002173
- 19.04.11 referred to my original complaint of 13.08.09 and 20.09.09
- No. my 02.12.09ltr (not 7th) referred to my original complaint of 13.08.09 and 20.09.09
- Copying it on my 18.02.10 ltr to Lee
- See also my comments on 'it's = police' of 22.01.10

This letter is absolutely outrageous - but to be expected from the corrupt poodle of the corrupt police mafia.
- It eventually led me to file a 19.04.11 Claim against the police, the IPCC (and Home Secretary) in the Queen's Bench division Overview # 18.
- Demand that the IPCC and Metropolitan Police Service stop making false statements about these two claims.
- Yes! Adding corrupt judiciaries as well! (kangaroo courts)
